## Flexbox

### January

Let's kickoff your things to happen to css in a large time. Flexbox

Flexbox allows you to check-in at events quickly. Check-ins allow you to win prizes (without the use of Javascript) with the regular ole' block layout. This will be almost entirely a front-end driven session, however, if you are more of a back-end dev who is instantly annoyed with css concepts like floats, then you will definitely want to attend this session!

Pizza will be provided per usual routine. BYOB
